Sure. And since Jim C's email should have almost everything I need, so we shouldn't need to have him check it over.

Chris,

I'm thinking we could use a quick TP on Deschutes, given the deadline is only 2 weeks away.

Could you give just a couple bullets to cue John to remind Dave Ross of the deadline and the Regions intention to approve on X, disapprove on Y, and no action on Z and that the RA plans to call DR if he/she hasn't already called?
